Highland Avenue:** Michael Hart came forward to present their street closing for Saturday, September 6, 2014 from 9:00 a.m. to 3:30 p.m. for the 3rd Annual Block Party. Approval to close Burns from Highland Avenue to Russey Street and Highland Avenue from Russey Street to Gavin Street. Application has been approved by Steve Stewart, Muncie Chief of Police and Eddie Bell, Muncie Fire Chief. Michael reported that Muncie Sanitation will supply us the barricades. Roger Overbey moved to approve street closing permit for Motivate Our Minds. David Miller provided the second. Motion passed by voice vote.

BOARD OF PUBLIC WORKS AND SAFETY
MUNCIE, INDIANA

9. **Tracy Jefferson, Curtis Westbrook and Emma Price request pedestrian crossing at 2nd & Madison:** Tracy Jefferson came forward to address the board members we are here to request that the board consider installing pedestrian control traffic signal and cross walk at Madison & 2nd. The concern behind that is obviously the elderly, children and also the handicapped persons. When I approached Mr. Westbrook last week he immediately told me "it is amazing that you are coming to me about this, just yesterday I had to help Mrs. Emma Price get across the street". I feel the children and elderly should have that option to cross the street many of them may or may not utilize that option to cross the street, many of them won't but at least it will be there. Where you can active it as a pedestrian and then you can cross safely. Duke Campbell, Street Superintendent I spoke to the Mayor about this and we would like to take this under advisement because Madison Street is going to get a complete redevelopment next year, it would be a lot cheaper to make it a part of the project then if we installed it right now, because you would have to sink the pole bases 20' and string lights because it was a four lane roadway. If you just put advanced signage on one side of the road the center lane is not going to see that and that really would be more of a liability to us and the liability of someone getting hit because traffic is side by side a lot of times right through there and the inside lanes are not going to see that signage. Revisit it when we do the sidewalks on S. Madison Street. The Mayor thinks it is a good idea to have a crossing there but with the development that is going to happen next year the lesser expense and everything can be paved and new sidewalks and everything done at once. There is a pedestrian crossing at Willard & Madison as well as Kirby & Madison and they are ADA compliant for now. Emma Price came forward to address the board I think everybody at City Hall know who I am, I am Mayor of the new Millennium Place and I really would like to have that because I have to cross the street from Monroe to the office all the time and it is kind of bad for me with a stick trying to get across the street because nobody waits. They don't care who I am or how old I am or how sick I am. President Quirk asked if she heard what Duke said and it was acceptable to you. Emma said yes, it takes time for everything. No action needs to done by the board at this time.

10. **Adjournment:** Roger Overbey moved to adjourn meeting, meeting adjourned at 9:28 a.m., David Miller provided the second. Motion passed by voice vote.

Board of Public Works and Safety

John Quirk, President

Roger Overbey, Vice-President

David Miller, Secretary

Linda Hayes, Recording Secretary
