8. **Duke Campbell, Superintendent Department of Public Works and John Beatty, Church of the Living God Muncie Inc.:** Duke Campbell came forward to address the Board of Works reference street vacation for Church of the Living God on E. Washington Street. He brought up a good question and we started the ball rolling and Linda Hayes informed me that a former board of works member (Harold Mason) started process of vacating the roadway in front of the church. City Clerk's Office does not have any paperwork on file for the vacation. So we basically had to start all over and knowing how slowly the utilities are AEP has not responded with a letter giving their approval. I found out that the property in question has not been surveyed and like I am kind of new to this; is it on the City to have this surveyed or would it be on the individual wanting the street vacated having it surveyed? John Quirk thinks it would be the property owner or the person wanting it vacated would have to pay the fees associated for the property being surveyed by a land surveyor.
9. **Adjournment:** Roger Overbey moved to adjourn meeting, meeting adjourned at 9:13 a.m., John Quirk provided the second. Motion passed by voice vote.
