Ref: City of Muncie Building Commissioner's Office
Change of hours for applications and permitting

This department can not accept applications or issue permits after 2:45 p.m. Monday through Friday. This change will allow this department to be more expedient and efficient. Our goal is to improve our ability to serve you (our customer) and reduce processing time. The citizens of the Muncie are deserving of a more efficient procedure. This goes into effective Monday, April 18, 2011.
